There is a group that can support us in the most difficult conditions.

Solidarity Now is a network of people and organizations in Greece, working together to help those who are most affected by the economic crisis

Thessaloniki's Solidarity Center is a place for meeting, cooperating, and providing services by civil society actors. The center has been acting since December 2013 by providing legal & medical services in cooperation with the Non Governmental Organizations ARSIS and PRAKSIS. Solidarity Center addresses the immediate needs of all those who reside in the metropolitan area of Thessaloniki regardless their religion, nationality, race, etc.
