Date and time: 21 October 2025. 2 PM CET

Venue: online. The link will be shared with registered participants

Dear Partners and Friends,

We would be delighted to welcome you to our international roundtable *Voices Rising*. This discussion will bring together activists, practitioners, researchers, and community representatives to exchange experiences and strengthen the collective voice in the fight against anti-Roma practices while affirming Roma identity.

RomaRise is a collaborative European initiative working to empower Roma communities through awareness-raising, capacity-building, and inclusive campaigns. The project highlights positive narratives, strengthens cooperation among civil society actors, and promotes recognition of Roma contributions to European societies.

Agenda

- 1. Short presentation of the project by Nikolay Kirilov**
- 2. Roundtable discussion - moderated by Péter Krasztev**

During the roundtable, participants will be invited to reflect on and discuss:

- **What strategies and narratives have proven most effective in challenging anti-Roma stereotypes and discriminatory practices?**
- **How can projects better integrate and amplify young Roma voices to strengthen identity and self-representation?**
- **Opportunities for transnational cooperation and solidarity in advancing Roma rights and visibility?**

Please note that the language of the event is English and no translation will be provided.

We warmly encourage you to join us and share your perspectives in this dialogue. Your contribution will be an important part of shaping collective approaches to a more inclusive future.
